Sheriff's Department Headquarters

February 17, 2004

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**APPROVE SUBMISSION OF GRANT APPLICATION TO
THE OFFICE OF EMERGENCY SERVICES
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Sheriff to submit a grant application to the Office of Emergency Services (OES) requesting a maximum of \$70,227 in federal funding, with no local match required.
2. Instruct the Chairman of the Board of Supervisors to provide a wet signature on the following grant application documents: three (3) Certification of Assurance of Compliance forms (Attachment 1) and three (3) Additional Signature Authorization forms (Attachment 2).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Los Angeles County Sheriff's Department has received an invitation from the OES to submit a Fiscal Year 2003-2004 Coverdell Request for Application (RFA). Upon submitting this RFA to the OES, the Department will become eligible to receive \$70,227 in federal grant funding. These funds, which are intended to support the Department's on-going Paul Coverdell National Forensic Sciences Improvement Act (NFSIA) grant program, shall be utilized by the Department to secure continued education and training programs for the Department's full-time forensic scientists.

The Honorable Board of Supervisors
February 17, 2004
Page 2

In complying with the objective of this funding opportunity, should the Department be selected for this award, the allocation will be used to send members of the Department's full-time forensics staff to educational and training seminars aimed at improving the quality, timeliness, and credibility of Departmental investigations and evidence examinations. In addition to these positive outcomes, the Department's forensic scientists will also be afforded the opportunity to learn modern, industry-specific skills and techniques that will allow for more efficient and effective investigations.

The curriculum of the educational and training seminars to be participated in by the Department will include both theoretical and practical components. These components will be established and developed by the California Attorney General's Forensic Science Task Force and the National Institute of Justice. These organizational characteristics of the seminars will ensure that the curriculum is valid and reliable and will assist the Department in maintaining its American Society of Crime Laboratory Directors/Laboratory Accreditation Board (ASCLD/LAB) accreditation.

Implementation of Strategic Plan Goals

The NFSIA grant program supports two goals within the County of Los Angeles' Strategic Plan. Specifically, with the support of this potential funding source, the Department will realize the achievement of Goal #2: Workforce Excellence, as well as Goal #3: Organizational Effectiveness. With the grant funds being directed at educating and training the Department's full-time forensic scientists, not only will the scientists be provided with valuable professional skills and techniques, but as a result, the Department will be afforded the opportunity to more efficiently and effectively complete forensic investigations.

FISCAL IMPACT/FINANCING

The NFSIA grant program will potentially provide \$70,227 in federal grant funding to the Department. Under this program, the County is not required to contribute any matching funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This proposed program will be effective for one (1) year. The application documents have been reviewed and approved as to form by County Counsel.

The Honorable Board of Supervisors
